

HIROSHIMA DAY - AUGUST 6

"The fact that lately some circles...have been actively promoting certain theories, as dangerous as they are illusory, of a "limited", "winnable" or "protracted" nuclear war, as well as their obsession of "nuclear superiority", make it advisable to bear always in mind that the immediate goal of all States, as was expressly declared in the Final Document of the Special Assembly of 1978, "is that of the elimination of the danger of a nuclear war".

— Alfonso Garcia Robles
